The committee is composed of twenty leaders in the Presbyterian Church and other noted men of that denomination will also participate in the conference.

The expense of the preliminary work of the committee has been paid for out of the 25,000 contributed by its chairman, John H. Converse, and he has just advised Secretary Chapman that he has deposited a second 22,000 in the bank account of the committee.

Plans will be discussed with the object of raising at once \$150,000, which the committee finds necessary to carry out the work of a national campaign during the coming year. The committee will aim to raise \$100,000 of this amount by finding 100 Presbyterians who will give \$1,000 even. Through other channels the committee hopes to raise the balance.

Effective Work in Last Year.
